

**Get Out and Get Nuts!**  
*Potomac Conservancy and Ford's Seed Collection Challenge*

It's time to get outside and start collecting with Growing Native and Ford's "Get Out and Get Nuts" Challenge! From September through November, register online and tell us how many pounds of native hardwood seeds you've collected. For each pound collected, Ford will contribute one dollar to our tree restoration projects! Learn more and register your seed collection at [www.growingnative.org](http://www.growingnative.org)

Are you up for the challenge?
